

Instant Pot® IP-CSG60

Programmable Pressure Cooker 6L/6.33Qt.

Instant Pot® IP-CSG60 is a **5-in-1 programmable cooker** combining the functions of a **pressure cooker, rice cooker, slow cooker, steamer** and **warmer**. At the touch of a button, you can cook your favorite dishes. The intelligent programs make cooking simple and care-free. Chili, stew or a meal for the entire family can be prepared in 15 minutes. Multigrain rice becomes more tender and tastier.

Instant Pot® produces almost no noise and steam, a kitchen-friendly appliance. The stainless steel inner pot is durable and leaves no health concerns of non-stick coating material.

Instant Pot® is the must-have cooking appliance in your **fast-paced, health-oriented** and **green-conscious life style**.

For additional information about safety technologies, recipes, reference cooking time, etc., please visit www.InstantPot.com.
